to-night. The distance will be at fifty yards, and it is predicted that the winner will be made to swim within twenty-saven seconds, so fast have they been going in practice.

Marquard Schwarz is B years old. Otte is eleven months younger. The latter has been considered a fair swimmer, but recently has been showing championship form and challenged his brother to a fifty part match race. While Marquard has lesaten all the M. A. C. boys at this distance many believe that his brother is now in line for some of the honors won by Marquard in the last two years.

The next important feature will be the introduction of the English socker waterpolo game by two picked teams. In this game seven players make up a side, three forwards, three backs and a goal tender. Instend of making a goal by fouching the goal beard with the ball in the American game, the ball, which is twenty-six inches in diameter, is thrown between goal posts, dx feet apart, with the cross har three feet above the surface of the water.

Tackling is prohibited only against the man holding the ball, and he must immediately had be elevated slightly and the cross bar three fasted with two hands, but must be thrown with only one.

The entires are as follows:

FOUR CITY PARK CHOICES WIN.

New Orleans, La., Dec. 3.—Four out of even favorites were beaten at City Park o-day, but probably the defeat of Chang, who hindered and lost his rider early in the steeplechase, and the failure of lappy Jack, the odds-on favorite in the set race, hit the heavy investors harder han any of the other races. Track slow.

WANT FRANCHISE IN M. L. T. Several Central Illinois Towns Anx-Ious to Supercode Southern Cities.

Electington. Ill. Dec. 29.—Several Central Illinois cities are analously awaiting the call by Secretary Graney of Cairo of the annual meeting of the K. I. T. League to make up the franchise for 1995. It is announced that the league intends to drop some of the cities to the south.

By taking in Danville, Jacksonville, Believille, East St. Louis, Pana, Mattoon or other Central Illinois cities a large sum would be saved in traveling expenses, while the patronage would be first as heavy. REPUBLIC SPINTAL

while the patronage would be just as heavy.

M. J. Farnbaker of Cairo has been working upon the new circuit, and is also a candidate for secretary for 196. East St. Louis is within the five-mile limit of competition, but it is believed that this can be waived.
